Our Story

We have been providing exclusive private label and global boutique wines for 25 years to restaurants, businesses and private events in Southern California.

Our private label wines are easy drinking, New World style wines with a touch of fruit. You can drink them on the patio without pairing them with food or you can pair them with your favorite gourmet meal.

Everybody loves to commemorate their special event by giving wine gifts to friends, family and customers featuring their own name, picture, logo, or themed idea.

Why use someone else's wine when you can promote your own business or family name that is unique to you? Please allow Bartoletti's Best to assist you with your designs and great drinking wine!

Other applications for private label wines:

- Birthday
- Anniversaries
- Holidays
- Weddings
- Family Reunions
- Corporate Events
- Grand Openings
- Business & Personal Gifts

These wines are sourced from original Bordeaux root stock, produced in an Old World style with estate grown grapes. The wines are aged in the finest and neutral French oak barrels in a cellar cooled to 56F for 18 months. After bottling, the wines rest in our temperature controlled warehouse for an additional 6 months before being released for your enjoyment.

These red wines can be easily cellared for 10 years.

the world in a glass

Local Laguna Beach Winemaker

Orpheus III* - Red Wine International Blend 750 ml, 12 – case

Local Laguna Beach wine maker, Chuck Pifer, makes his wine in Napa Valley, CA. We call it a "World in a bottle". This will be the last wine he will make in this international style. There are under 200 cases remaining in stock. The malbec comes from a local San Clemente family who owns the vineyard in Argentina.

Orpheus was the greatest musician and poet from Greek mythology – a seeker of harmony – inspired by many things, including great wine. In his quest to blend something unique, Chuck paired this Napa Valley cabernet sauvignon with merlot from Chile and malbec from Argentina. The malbec comes from a local family in San Clemente, California who owns the malbec vineyard in Argentina. The blend is 76% cabernet sauvignon (from the Mt. George area just east of the Silverado Trail in Napa Valley), 17% Chilean merlot and 7% malbec from Mendoza, Argentina.

The cabernet features notes of cedar, currant, and mint, with the nuances of plum, blackberry. The Chilean merlot imparts a toasted coffee flavor and the Argentine malbec adds a dark chocolate finish. Together they all imprint their own unique character on the Orpheus III, which you can enjoy now and for the next 7-10 years. You'll discover, together, they create a harmony and celebrate a new style of wine making.

Chuck has been making and blending wines since 1993, and he has even managed to win a few dozen local awards along the way. While people look to repeated award-winning as evidence of the consistency and quality of his plans, it was a happy accident that got him started on the quest to bring together wines from all over the world.

In 1997, most of Napa Valley vintners were faced with the same challenge: Chuck wanted to find a way to soften and balance the wine because he wasn't about to wait 20 years to start drinking it. So he began exploring what wines from other countries might bring to a blend. And it wasn't a Merlot and South American malbec that brought him one of the answers, a gold medal for this new meritage. Chuck was amazed by the textures and complexities that could be mastered by blending international varietals. So, Cosmos Cellars sets off in the spirit of adventure to bring together wines from around the world. We hope you enjoy these wines of beautiful harmony.
